- Continue to build and leverage university and industry partnerships.

- Backing small and family business
- Growing the economy in our regions
- Taking care of Qld's vital and emerging industries

Our vision

To remain a trusted authority for food safety.

Our values

Accountability, respect, integrity and creativity.

Our purpose

To provide confidence that food produced in Queensland is safe; through innovative and effective regulation which supports industry growth.

The agency supports the Government's objectives for the community:

- A better lifestyle through a stronger economy
- Safety where you live
- Health services when you need them
- A plan for Queensland's future
